

## Brother HL 1430

Delivering up to 14 pages per minute at 600 x 600 dpi resolution, Brother's new mono laser printer gives you the professional standards you require in the home or in the office. The HL-1430 comes with 4 MB memory as standard, 250-sheet paper capacity and wide compatibility for Windows and Mac OS computing environments, all in a discreet, elegant machine that takes up very little desk space. It is quick and easy to install and includes the benefit of comprehensive technical support with Windows interactive animations, giving a step-by-step guide to your new printer. For additional peace of mind you also enjoy direct access to the Brother Solutions Center web site. And as with all Brother printers, the easy to replace consumables require little effort and no fuss. The HL-1430 brings total efficiency to your home or office.
